**Application by Defendant for a further extension of time to file a response to
Government *in limine* motions**

United States of America v. Michael Little
Docket No. 12-cr-0647 (PKC)

Dear Judge Castel,

I respectfully request Your Honor grant a further extension of time until February 5, 2018, to submit a response to the Government motions *in limine* [Docket No. 287 dated January 8, 2018. My response was due today.

All other motions have been timely filed today. The remaining motion contains the Government's submissions in respect of the Guernsey Deposition. The Court endorsed the Government's undertaking to provide the Defendant with a letter outlining its suggested solutions prior to a submission to the Court at the last Status Conference held on May 5, 2018. This has not been forthcoming, and the Defendant has been disadvantaged and pressure of work requires this prayer for relief.

I have not canvassed the Government as to its view on this request for an extension.

Respectfully submitted,

/s/

Michael J. Little
Defendant (*Pro Se*)
